Become a Fair Housing Tester

Open Communities promotes a housing market that is open to everyone, regardless of race, color, national origin, religion, sex, disability, the presence of children, marital status, sexual orientation, military discharge status, or source of income.

As a volunteer fair housing tester, you help us by posing as a home seeker and reporting your observations. Adults of any racial or ethnic group and all physical abilities are encouraged to participate.

Volunteers receive fair housing training, a stipend for each completed test and travel reimbursement.

Tester Training for NEW volunteers will be held on:

Saturday, **November 14** from 10:30am — 1:00pm
Thursday, **November 19** from 6:30pm — 9:00pm

Trainees must submit application for approval prior to training. For more details, please contact:
